

SOPHIA AHRENS

Born in Hamburg and grew up/ was raised between Germany, England and Italy, so I have a love for languages and different cultures. I was scouted at the age of 12 in a shopping mall, when I went back to the UK for a year after living in Italy. I decided to finish my studies first, but when I booked the Prada Campaign 2013 shot by Steven Meisel, it launched my career before I'd finished school. I went back to school, did a couple of jobs meanwhile and then started modeling full time when I was 19. Came back to New York to give it everything that I had.
