

ALEX WATSON

Alex is a model and mindfulness guide seeking to make art of life itself. Raised on the east coast she moved across the country to play division 1 lacrosse at university in California where she studied marketing. California offered her a slow and conscious lifestyle, the ability to connect with nature being close to the beach, desert, and mountains. Being in LA introduced her to many incredible creatives and one day was discovered through a photographer friend and local venice brand. After 3 years in marketing she left to pursue modeling full time which allowed her more freedom and creative expression.
